

Sponsorship Opportunity

For 2017, the Lady Blues Organization consists of 17 teams representing age groups from 8U through 18U. Our players come from all over North Carolina and surrounding states. We strive to compete at the highest levels of fastpitch softball and to assist these girls in achieving their goal of playing college softball. Lady Blues is establishing a new 8U team and is looking for organizations to partner with for support of the new team.

What YOU GET:

The sponsorship opportunity with the Lady Blues 8U team will consist of visibility on the team banner, social media display, team Facebook presence and Lady Blues organizational presence. The team banner will be displayed behind the dugout during the entirety of every game this season. The banner will consist of a full color 4'x6' mesh vinyl display. ALL sponsorship levels receive Lady Blues website presence, social media presence and community activity visibility for all team activities.

We are playing in 8-10 tournaments, starting in the 2nd week of March in 2017 through the 2nd week of September, 2017. Each of the tournaments range in attendance of 1000-5000 fans and are located in Kernersville, Thomasville, and Concord, NC. This sponsorship opportunity will be for the 2017 season only. Lady Blues 8U would like to thank you for the consideration of a sponsorship. Please visit <https://goo.gl/B7J54D> or email/text the cell number below to respond with a level preference.

Lady Blues Fastpitch Softball is a registered tax-exempt & Nonprofit 501(c)(3).
